Agenda
- Discuss project pitch
  - Purpose - adequate?
  - Concepts - encompassing?
- Potential problems
  - Do you foresee any?
- Discuss Data Model

Progress Report

Milestones:
- Decided upon project purpose and concepts
- Presented pitch

Difficulties Encountered:
- Deciding on a name
- None that are significant (?)

Next Steps:
- Revise purpose and concepts if necessary
- Discuss deficiencies with current solutions and include in documentation
- Data model - started; will be finished over the weekend
- Teamwork plan - will be done over the weekend
  - needs to be complete with a description of MVP, roles, etc
